

Few people other than high-income earners contribute over \$11,000 a year

Number of taxfilers with more than \$11,000 in concessional contributions, 2020–21

Notes: Projections to 2020–21 assume 2% wage growth and 0% growth in the number of taxfilers from 2019–20 to 2020–21. Non-voluntary component means employer contributions less reportable employer super contributions.
